The surcharge will apply to the transportation charges derived from the application of rates and minimum charges in the applicable rate tariff and subject to a monthly adjustment, effective the first day of the month, or the same day the DOE updates the fuel prices. In the event the fuel price goes below \$2.75 per gallon, the surcharge will be a flat 10.5% for that period.

Emergency Surcharge – Carrier reserves the right to assess an emergency surcharge. In the event this surcharge is implemented, consignees and consignor will be advised by written notification, Web site, or as a separate item on the delivery receipt or invoice.
