Priority (PDS): Our Priority service provides expedited ground parcel delivery by guaranteed delivery times defined for each zip codes in our service area. Please visit our website at www.gls-us.com for zip code lists and specific transit times.

Shipment charges are calculated on a per-piece basis. Any fraction of a pound over weight shown takes the next highest rate. The 0 lbs is for letters 8 oz or less.

Dimensional Weight: Calculated dimensional (DIM) weight may be applied when such weight is greater than the actual package weight. The formula used for calculating the DIM weight of a package is $(\text{length} \times \text{width} \times \text{height}) / 166$. DIM weight pricing only applies when a package is 5,184 cubic inches or greater.

Accessorial Charges: For a full list of accessorial charges, including but not limited to Fuel Surcharge, Declared Value, COD, On-Call Pickup, Residential, handling, and extended area surcharges.
